Through the connections, education, and interests developed by our county's most promising leaders, Leadership PBC creates a lasting impact in our community.

**Leadership Palm Beach County is a nonprofit organization that brings together leaders from the public, private and nonprofit sectors to build and steward a vibrant, interconnected community.**

Since 1983, our unique programs have prepared more than 2,000 adult and youth leaders for a lifetime commitment to doing public good in Palm Beach County.

Leadership PBC's Engage Program is based on an interactive, 10-month curriculum that provides leadership capacity-building skills framed around county-wide issues. Participants meet for one day each month, from September to May and explore program topics such as agriculture, public safety, and healthcare. In addition, each participant will take part in an Engage Forward project that will solve a challenge in our community while learning to collaborate in a group dynamic with fellow classmates and other leaders. For more information about the Engage Forward Projects, please review the request for proposal, specifically pages 2-3, on the Leadership PBC website at [www.LeadershipPBC.org/Engage-Forward](http://www.LeadershipPBC.org/Engage-Forward).

## Selection Criteria

Leadership PBC seeks to identify individuals who are most likely to utilize their leadership abilities for the long-term benefit of Palm Beach County. Emphasis is given to those who have demonstrated leadership and community involvement outside of their career, which has long been consistent with graduates’ likelihood to continue their involvement with Leadership PBC beyond graduation. Participants will be selected by an anonymous Selection Committee comprised of Leadership PBC alumni. Committee members will award points for each question, and maximum points are listed for each question. References may be checked. This application is only for the Class of 2026 program year. Applicants who wish to apply again are encouraged to do so, and will need to pay the then current application fee. Applicants must be 21 years of age or older.

## Leadership PBC Engage Program Time Commitment

Candidates should only submit an application if certain of their ability to meet the below time commitment.

- Monthly All-Day Leadership PBC Engage Program Session Days
  - To be considered a graduate of Leadership PBC you cannot miss more than one program day. Participants are allowed one excused absence; additional missed days must be made up the following year, through an approved Leadership PBC Program Day. Missing more than three hours of a program day counts as missing half a program day. Please communicate with the Day Chairs, Program Manager, and Executive Director to avoid issues and confusion. If you know you will be missing a program day, please communicate this to the Programs Manager in advance. If your absence is last-minute, please communicate your absence to the Programs Manager as soon as you know.
- Friday-Saturday Mandatory Overnight Opening Retreat - This Friday to Saturday retreat includes a mandatory overnight stay. All participants are required to attend the Opening Retreat in its entirety. There will be no exceptions to missing the Opening Retreat.

This two-day session gives participants a full understanding of the responsibilities and requirements of the program and serves as an important connection to the cohesiveness of the class and the program. While we understand it can be difficult to carve out a full Friday and a half-day Saturday, we will firmly enforce this policy. If you cannot attend the Opening Retreat, your application will be deferred to the next year’s class, along with your tuition payment. You will not need to reapply. This includes medical, work, and personal emergencies.

- Orientation is a requirement of the program and will be scheduled prior to the Retreat. If an emergency arises requiring you to miss part of the session, you must have approval from the Executive Director to participate in the Engage Retreat. The Closing Retreat is a summary activity for the participants and helps to create a cohesive closure to the Engage year. It serves both as a means to collect data to improve the experience for the next year’s class and provides a stepping stone for the new graduate’s involvement as an active alumni member. It is considered a mandatory element of the program for graduation. In the event of an emergency, participants must contact the Executive Director to make arrangements to finalize their program participation and graduation.
- Engage Forward participation and meetings as necessary (Average 3-5 hours per month or about 25 hours total outside of class days, based on prior projects).
